GES PTA is comprised of parents and teachers who dedicate their time to help create an enriching learning environment for our 4K- 5th grade students. In addition to school-wide programming, this organization is responsible for all major fundraising efforts where monies raised go directly back to the school. This year especially, it's our goal to support the students, teachers and parents during this transition time.

Our regular PTA meetings are held at 6:30 pm on the 3rd Thursday of each month and last about one hour. The meetings are held in the GES Library. Please join us as often as you can - your opinion matters! If you cannot make it to a meeting and have something to say, drop a note in the PTA mailbox in the office, stop us in the hall or send any one of us an email!

To join the PTA and have the ability to vote on PTA matters, please fill out the membership form below and return it with your child's registration paperwork or give to your child's teacher once school begins.
